

# OhMyDesk — Coworking, on autopilot

Replace spreadsheets and sticky notes with one simple calendar.

Manage everything yourself without needing an IT team.

Launch your space management in under two minutes.

Works perfectly on both desktop and mobile devices.

# The problem every coworking owner knows

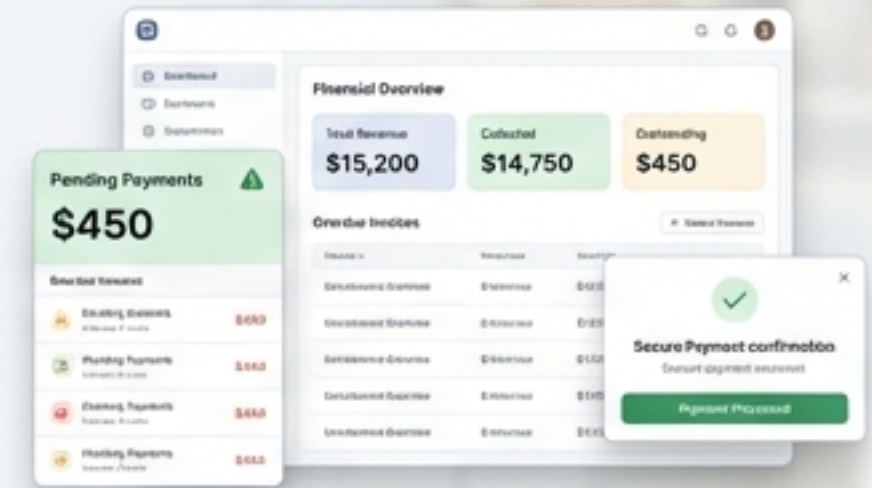

## Double Bookings

Prevent double bookings by stopping overlapping desk claims.

## Revenue Leaks

Stop revenue leaks by tracking every payment and pending fee.

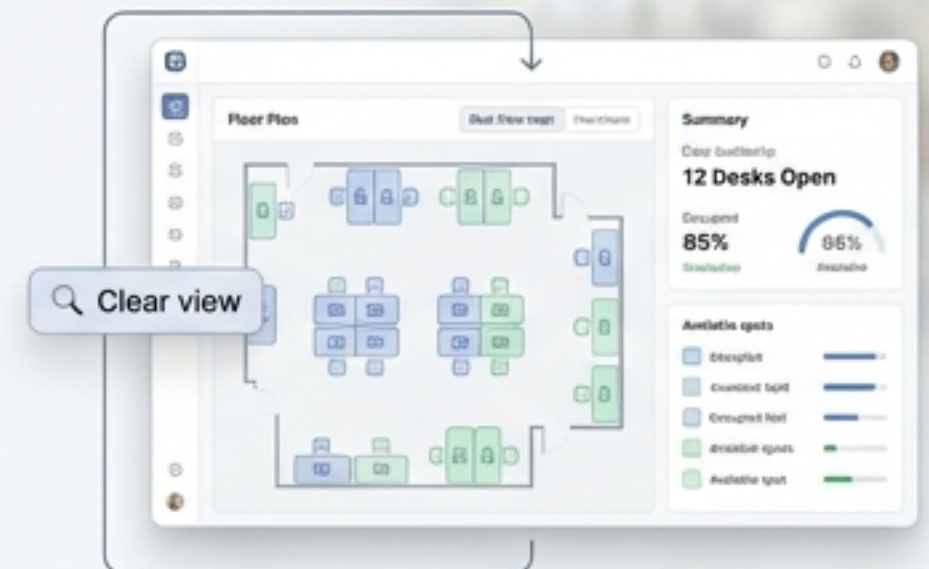

## Context Switching

Eliminate constant switching between WhatsApp and Google Sheets.

## Blind Spots

Give your team clear visibility of daily desk availability.

# See your whole space at a glance

View every desk across all rooms on one dashboard.

Update availability for entire date ranges in one action.

The screenshot shows the OMyDesk dashboard for 'Codeburg'. The main view is a calendar for 'April 6-12, 2026'. The calendar has columns for days of the week (MDN APR 5, TUE APR 7, WED APR 8, THU APR 9, FRI APR 10, SAT APR 11, SUN APR 12) and rows for desks (Desk 1, Desk 2, Desk 3, Desk 4). A legend at the top indicates: Available (2) in green, Booked (2) in orange, and Assigned (85) in blue. A 'Book Apr 8' button is visible. A sidebar on the left contains navigation options like 'Members', 'Waiting List', 'Revenue', 'Expenses', 'Insights', 'Organization', 'Rooms', 'Plans', 'Team', 'Notifications', 'Integrations', and 'Admin'. A 'POOL 2' label is at the bottom left.

Book or edit assignments instantly with a single click.

See your actual floor plan with live availability status.

The screenshot shows the OMyDesk dashboard for 'Codeburg' in a floor plan view. The main view is a grid representing the floor plan with desks labeled 'Desk 1' through 'Desk 4'. A legend at the top indicates: Available (44) in green, Booked (4) in orange, and Assigned (126) in blue. A 'Book Today' button is visible. The sidebar on the left is identical to the first screenshot. A 'POOL 2' label is at the bottom left.

See your actual floor plan with live availability status.

# Book a desk in one click

Handle everything from daily drop-ins to long-term assignments.

Calculates multi-day booking prices for you instantly.
